The Dimmer VIEW

By MAX GOODWIN

As a Republican stalwart I have as much right as any to question the antics of the Republicans in the Knowland-Knight affair.

I don't presume to know the details of power plays leading to Governor Goodwin Knight's decision to avail for himself the race for a seat in the U. S. Senate which followed Senator William Knowland's announcement that he would seek the governorship of the state of California. But it doesn't take a political savant to sniff out the ingredients as a Party "Agreement".

Whether this "agreement" is best for the Party, the state, the country or the constituency is a matter I won't argue, but if I were legal counsel for Mr. James Hoffa and Mr. David Beck. I'd call for a transcript of this caper to offer as "Exhibit A" in evidence that giving the constituency a chance to "approve" after the fact is normal operating procedure practiced by some of the most highly respected gentlemen of the land.

Like the government's satellite program, the Lemon Grove Business Women's League have a project they think is secret, too.

This project might be titled "caring" and concerns the welfare and comfort of one of my favorite young ladies, 19 year old Svea Yeager, 2001 Noble Street, Monterey Heights, victim of a crippling ailment which has kept her in a wheel chair since she was seven. In spite of this handicap she graduated recently from Helix High School among the top in her class this year.

The girls' mother, Mrs. Alice Yeager, herself a widow, since Svea was two months old, has recently had to give up outside work so as to be with her attractive daughter. The Business Women's League decided to help both Svea, and her mother. Quietly, they encouraged Mrs. Yeager in a home - operated business of doing mimeograph work.

Then they collected funds among themselves to get Svea a motorized wheel-chair. This permits the young lady to move about the house, even letting "Lady" her pet doggie in and out, without having to depend on her mother for her every move.

Five of the BWL gals went up to see Svea last week on her birthday . . . and it was a happy birthday too. Svea was radiant. The visitors were radiant, too, when they left. It was a rewarding experience for all concerned.

I'm for keeping ladies' secrets in almost every instance, but I think this one is too noble for a weatherworn old newsman like me to keep hid under a bushel, so I'm spilling the beans . . . and congratulating the gals who had a hand in this wonderful project.

FATHER OF 3 KILLS SELF

A Lemon Grove man, father of three children, despondent over marital affairs killed himself Sunday in a small apartment he recently rented at 628 E. Broadway, El Cajon, according to Jesse C. Canale, chief deputy coroner. He was found Tuesday at 1:40 p.m. by the landlord of the building.

Canale said Allen Norbert Rice, 38, of 1574 Skyline Drive was found by John Madison, the landlord. Rice had a bullet wound in his head from a Japanese souvenir automatic pistol he had acquired while serving in the South Pacific during World War II.

Canale said Rice's wife, Ann, separated for the past two months, was the last known person to have seen the victim alive. She visited with him until midnight Sunday.

Police found a five page letter written a week before his death. It was addressed to his wife but had not been mailed and indicated his despondency.

The couple's children are aged five, eight and ten. Services will be conducted at Conrad Mortuary after the coroner completes the autopsy.

Recommend Incorporation For L. G.

Boy Stabbed By Water Faucet

Practicing football proved to be a serious pastime for 12 year old Wayne Oetkin, last Wednesday. He and two chums, John Corbett and Richard Papike were having a good time throwing the "pig skin" back and forth. That was at the home of John Corbett Sr., of 10509 San Carlos Drive.

Then young Corbett had to go for a music lesson and the other two boys kept on playing. Suddenly Wayne started running backward and tripped. A water faucet, with no handle, was behind him and he landed on it back down.

Wayne was taken into the Steele home at 10453 San Carlos and young Richard Papike ran to the Oetkin home at 10629 Garden Way to inform Waynes' mother, Mrs. G. W. Oetkin, of the incident.

The Spring Valley ambulance was called and Wayne was taken to a local doctor, where several stitches had to be taken in three layers of skin. The doctor said if the wound had been nearer the spine it could have been real serious. Wayne will spend a few days away from school.

"Incorporate!"

"Form a sixth class city and recapture $787,000 in taxes and sales subventions now being used county-wide."

That was the recommendation made last week by the Los Angeles Bureau of Municipal Research following three months' study of Lemon Grove. The cost of the survey, $1,800 in all, was underwritten by the Lemon Grove Chamber of Commerce through it's Development Committee and by George Scott, San Diego department store owner and chamber member. Scott who is developing plans for a shopping center at the west approaches of Lemon Grove, furnished $750 of the funds.

The recommendation was made Thursday at a Chamber of Commerce meeting at Michael's. Speaker was James O. Stevenson, director of the research bureau.

Among the opinions voiced by Stevenson is that Lemon Grove was too big, and growing too fast to remain an incorporated community. "The demand for services and the pyramiding of taxing district taxes will force a change whether you want it or not," he said.

COST GIVEN

Revenue for the 4.1 square miles of the proposed city would amount to $787,110, Stevenson said. It would come from:

$1 Tax rate	$189,100
State subventions	161,780
Licenses & Permits	71,230
Fines, fees	79,350
Sales tax	265,000
misc.	20,650
	$787,110

This would compare with expenses of $359,500. They would be:

Gen'l government	$ 35,950
Police	143,800
Fire department	107,850
Sanitation, refuse	57,520
Streets, repair, lights	86,280
Parks, recreation	43,140
Total	359,500

This would leave a balance of $312,570 for miscellaneous items and the contingency fund.

OFFICIAL POPULATION

Stevenson said Lemon Grove as a city would contain 4.1 square miles. The present population is officially 23,904 based on current registration of voters, he pointed out. The area would have ultimately 150,000 within its boundaries. Current personal incomes is more than $52 millions and is in the upper third of average incomes per family in the county with an average of $7,250 per family, he said.

BULLETIN!

James O. Stevenson, director of the L.A. Bureau of Municipal Research will be speaker at a public meeting regarding the C. of C. survey Wednesday, November 20 at San Miguel School.

Within the proposed city limits which would be those of the Lemon Grove Elementary School District, the assessed valuation is $18,902,210, Stevenson reported. Tax levies of 1956-57 on the property valued were divided as follows:

AGENCY	TAX RATE	LEVY
County general	$1.99	$326,427
L. G. schools	3.62	593,802
L. G. fire district	.56	91,858
Grossmont hospital distr.	.10	16,403
Metro water dist.	.25	41,008
SD Co. Water Auth.	.09	14,763
Library dist. (county)	.07	11,482
LG Sanitation distr. (land only)	.33	54,131
	$7.01	$1,149,874

Stevenson also pointed out that

Grove Leads Area In United Fund Drive

After a slow start the Lemon Grove area United Fund Drive snapped into high gear and took a commanding lead over the other area campaigns in the Homeland area with $2,057.77 or 89% of its $2,303 quota, according to Mrs. Frank Armstrong, area campaign chairman.

A last minute push raised the total from 65.8% on Tuesday to its present place of leadership.

The geographic division drive was launched November 4 and had a goal of $315,800 on a county-wide house-to-house basis. A combination of inclement weather and "flu" hit local workers in Lemon Grove and the campaign suffered accordingly. Mrs. Armstrong said that the district has had a 90% coverage as of Wednesday.

BULLETIN!

United Fund volunteers are invited to a report luncheon Wednesday, November 20 at La Mesa Town House. Rabbi M. Cohen will preside. Reservations are available at HO 3-2229.

An attempt is being made to wind-up the campaign all over the county by Thanksgiving. The high percentage is a result of the big, energetic work force which combed Lemon Grove according to Rabbi Morton Cohen, county

Newton Reports To Men's Club On C. of C. Survey

The Lemon Grove Men's Club heard Ernest Newton, vice president of the Lemon Grove Chamber of Commerce report on the survey made by the Los Angeles Bureau of Municipal Research, Friday.

Newton said that he felt incorporation could be brought to vote in July or August, 1958.

This would depend upon the Development Committee of the Chamber of Commerce taking a positive and vigorous stand on the recommendation the director of the Bureau has made, Newton pointed out. He said that the chamber, and many interested community leaders, had said in advance they would be guided by the recommendation to be contained in the report.

Newton quoted from the survey, figures of economic importance. He said the official population had been tabbed as 23,904; that assessed valuation of the community is $18.9 million; personal income $52 million; family income is $7,250.00, and retail sales are estimated at $26½ million.

He said the Development Committee had been charged with getting an expression and indorsement from it's various members by the chamber's December 5 meeting.

This Friday the speaker will be Miss Robley Baskerville, investment counsellor of the Eastman Dillon, Union Securities and Company, San Diego. She will tell about the investment market. William Paul, manager of the Lemon Grove U. S. National Bank will be program chairman.

The Men's Club meets each Friday at noon at Michael's. All men are invited to attend.

VALLEY COUPLE HURT IN CRASH

Mr. and Mrs. Howard Potts of 9120 Olive Drive, Spring Valley, received several bruises, when they were involved in an auto accident on Federal Boulevard near Wabash November 3, at 4:30 p. m.

According to a San Diego police ice report, the Potts were going west on Federal Boulevard in their 51 Olds. A car, driven by Raymond Murdock of 2573 Sumac Drive, San Diego, was going east. He made a left turn into the path of the Potts car. Murdock was cited for failing to yield the right of way. Both cars were badly damaged.

Highway 94 Club Takes Bead On Turkey Shoot

The Highway 94 Club will hold its annual turkey shoot Saturday at Barrett Junction, east of the Barrett Cafe, at 10 a. m.

Donation for each rifleman will be one dollar for 5 shots with 3 free practice shots. The turkeys, all dressed will be of medium size.

Observance of American Education Week in the Lemon Grove School District is planned in each of the elementary schools. Parents are receiving bulletins from teachers outlining the programs planned for this 37the annual observance. Some classrooms have issued blanket invitations to patrons to visit at any time during the week, and many teachers are scheduling special demonstrations at specific times.

At San Miguel School the P-TA program features Byron L. Netzley, district superintendent, who discusses "The Strength of Public Education" at tonight's meeting. Following the address parents will form small discussion groups led by teachers of the school to talk about various phases of the educational program.

At the junior high school the observance has been postponed until the following week. At that time the annual "open house" will feature parents following their children's schedule through a "day" of school. This postponement was necessary because other P-TA units are using the junior high's facilities during this week for their programs.

Local observance builds interest, understanding, and support for public schools. The local district welcomes the continuous, intelligent concern of all citizens and has invited all to visit the classrooms at least once during this month.

Local teachers, through the county teachers association, have helped purchase radio and TV spot announcement for American

600 Capacity San Altos School To Be Started

Target date for the new San Altos school has been set for September 1, the Lemon Grove school board agreed Tuesday night. Construction will start March 1. The new school will contain 16 rooms and accomodate 600 pupils.

The board also agreed to participate in the improvement of Mercury Drive, a present dead-end stret running east of San Miguel school. A dozen homeowners and the school district will share in a 1911 Act improvement project which will open the south end of Mercury into Rosemary Lane. The street has contributed to traffic bottlenecks at school opening and closing periods. Grade of Mercury will be dropped 44 inches and traffic will be permitted to circle to Rosemary and to Massachusetts.

Water Seen For La Presa Within Six Months

Early development of 2,400 acres of premium land all in the La Presa County Water District, was assured last week when 17 voters trooped to the polls to rack up 14 "yes" votes against 3 who said "no". There are 19 electors in the district.

Issue at stake was an $850,000 bond issue by which the unirrigated quadrant stretching south and east from Sweetwater and Jamacha Roads would get water mains. The district was formalized early this year.

First unit of the improvement will get under way in January according to Fred Hansen, holder of approximately half of the 2,400 acres making up the newly formed district.

Hansen is also chairman of the La Presa Water District Board. The mains will cost $260,000 and will stretch west from the junction of Sweetwater Spring Boulevard and Jamacha Road across La Presa Subdivision to a point near Sweetwater road, according to Hansen. A main will also be installed southward toward Sweetwater Lake, he said.

One of the tunnels bringing Colorado water to San Diego passes through Hansen's property near the La Mesa airport. The mains will tap in at that point. Sewers have already been assured by the formation of the Spring Valley Sanitation District which is now nearly ready to operate.

Hansen said that the area will be developed as soon as water is piped into the mains. This will be in six to seven months, he said.

Pool Association Plans Carnival

A Spring Carnival and Parade for the benefit of the community swimming pool fund has been reactivated, it was announced this week by Dr. Robert Burns, Swimming Pool Association new president.

The carnival was dropped last year because of the rodeo. Location of the affair was not announced.

Dr. Burns, who replaced Frenchy Faucher, retiring president, said that Frank Doolin had been named vice president; Mrs. Robert Swenson, secretary, and Lois Bernworth, treasurer.

Meeting are held on the second Monday of each month at the Lemon Grove Youth Center.

COUNTY LIONESSES TO HONOR GROVE MAN

A semi-formal dinner honoring a Lemon Grove man has been scheduled by Lioness Council of San Diego County Saturday night at the Balboa Park Club.

The man is C. Forrest Baxter, 2985 Buena Vista Avenue, who is District Governor of Lions District Four L Four. The district includes San Diego and Imperial counties. Dancing and entertainment will follow the buffet dinner.

The affair is the first annual Governor's Harvest Ball.

Members of the Lioness Council will meet Saturday morning at ten o'clock, in the Balboa Park Club to decorate for the ball.

Mrs. Fred Bowerfind of El Cajon and Mrs. C. F. Baxter of Lemon Grove are cochairmen of the decoration committee which consists of representatives of Lioness Clubs in the San Diego area.

The Lioness Council will also discuss plans for the District Four Convention to be held in San Diego, January 16, 17 and 18, 1958, according to Mrs. Roscoe Griswold of La Jolla, President of the Council. District Four of Lions International includes all of California and Nevada representing thirty thousand Lions.

GHS BOARD TO CALL JR. HIGH ELECTION

Members of the Grossmont District Citizens Advisory Committee discussed results of the state survey on junior colleges last week. The survey, a 14 page report by Dr. Frank Wright of the California Department of Education, concludes that this district needs and can support a junior college. "Many local high school graduates will be squeezed out of higher educational opportunity unless there is a great expansion of college and junior college facilities," Dr. Wright pointed out.

Grossmont Board asks for authority to hold an election for the purpose of forming a junior college district. The state department of education would recommend that the request be granted.

Superintendent Lewis F. Smith suggested that the survey estimates of effect on the tax rate could be reduced considerably, at least in the first several years of operation. It was also pointed out that the state should assume a greater share of the expenses of education of the junior college type.

Jack Wilson, Junior college committee chairman, asked members to discuss the report with their organizations and called a special meeting of the committee for November 18 on the Grossmont campus. Also to meet November 18 is the guidance committee whose report was postponed Monday until the December meeting.

Duttons Celebrate 50 Years of Bliss

It was fifty years of wedded bliss for Mr. and Mrs. Frank D. Dutton of 10331 Don Pico Road, November 6. Married in Eskridge, Kansas, the Duttons have lived in Spring Valley ten years. They have five children; Lauren Dutton of Jamul; Arthur Dutton of Spring Valley; Lucille (Mrs. John Johnson) of McFarland, Kansas; Caroline (Mrs. Doug Fisher) of La Mesa; and Helen (Mrs. Allen Hurdle) of Spring Valley.

The Duttons held open house November 3, with over 100 guests attending. On the anniversary date, last Wednesday, there was a dinner party given in honor of the golden wedding celebrants, at the O'Quinn Cafe in La Mesa. The tables, arranged in a U shape were decorated with Mums and Pom Poms.

Guests at the dinner included the five Dutton children and their families; Mr. Dutton's three sisters; Mrs. Olive Davidson of New Castle, Colorado; Mrs. Maude Fauerbach of Kansas City, Kansas; and Mrs. Marjorie Martin of Beakelman, Nebraska. Also attending were Mr. and Mrs. Fred Winter of El Cajon, friends of the Duttons' for fifty years and neighbors back in Kansas.

The dinner ended with everyone going to the home of Mrs. Fisher to celebrate the 20th wedding anniversary of daughter Mrs. Hurdle. She and her husband also celebrate on November 6.

Santa's Helpers Wanted at P.O.

So you want to help Santa?
This year you can do it . . . and make Christmas money, too.
The trick is to get a Santa's Helper classification at the local post office and deliver Christmas mail to Lemon Grove residents.
Some of the qualifications: Applicant must live in Lemon Grove; must be more than 18 years of age, and must apply at the local post office, 7951 Broadway by November 21. Jobs end Christmas Day and veterans will be given the first opportunity.
Additional information may be obtained from L. G. Postmaster Frenchy Faucher.

Foster Parents Seek Aid For Santa

A meeting of the Foster Parents' Planning Committee was held recently.
Plans were formulated by the foster parents of San Diego to make funds available for the purchase of items that foster children write Santa about. A board of directors consisting of foster parents has been established for this purpose.
All donations may be sent to: Mrs. Daniel Bettencourt; 4719 Del Monte, San Diego 7, Foster Parents' Planning committee treasurer or Mrs. Clifford Davidson, 3253 McKinley St., San Diego 4, secretary.
Almost everyone is a liberal, by his or her definition.

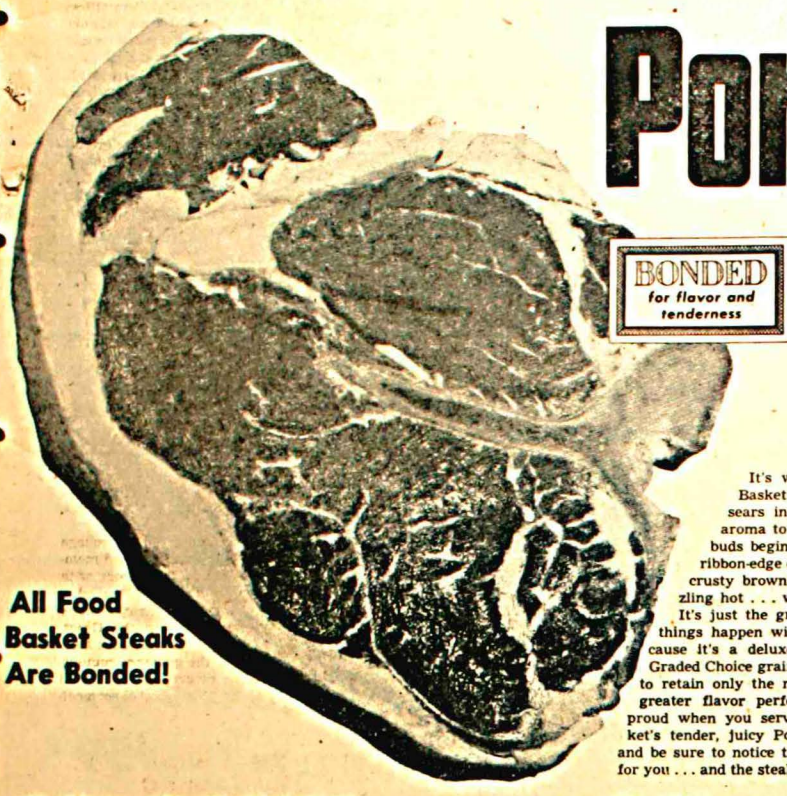
YWCA World Festival Dates Set

Mrs. Louis Brozey, 1471 Pescadero Dr., has been chosen chairman of the Annual World Festival given by the Young Women's Christian Association. The Festival is given to raise funds to finance the work of the International YWCA around the world.
December 6 and 7, from 5-10 p. m. nitely, have been chosen as dates for the miniature World Fair-like event. It will feature an international flavor, which annually attracts large crowds to the downtown YWCA headquarters, 1012 C St.
The World Festival, in which the entire association of the YWCA participates, will enlist the support and cooperation of many YWCA groups in the area such as: Y-Teens, Y-Ettes, Y-Wives, Mr. and Mrs. Clubs, the International Club, and the large Festival Committee.
Mrs. Brozey, who was chairman for the successful 1956 World Festival, said that plans were already well under way, and that committees had been appointed for the multitude of tasks necessary to promote this affair.

Bridge might not be such a waste of time if the players would stop t alking about the hands they played last week.

People continue to get themselves killed through avoidable accidents, and the toll will continue as long as men exist on this globe.

PRE-HOLIDAY STEAK OPPORTUNITY



All Food Basket Steaks Are Bonded!

Porterhouse T-Bone

It's wonderful to watch a Food Basket steak broiling! The heat sears in the juice, yet permits the aroma to escape . . . and tease! Taste buds begin to get really excited as the ribbon-edge of fat turns a beautiful crisp, crusty brown. Then when it's served sizzling hot . . . well, you take it from there. It's just the greatest! All these wonderful things happen with a Food Basket steak because it's a deluxe cut from the finest U.S. Graded Choice grain-fed beef, carefully trimmed to retain only the necessary amount of fat for greater flavor perfection. You can really feel proud when you serve your husband Food Basket's tender, juicy Porterhouse or T-Bone steak. and be sure to notice the beaming smile he'll have for you . . . and the steak!

Batchelor plays the part of Claudius the king.

JOTTINGS FROM JOBS

by Connie Perkins

Job's from Bethel 229 have been very busy this last month and have planned many more activities. For instance, all the girls met at the Bethel at 5:30 a. m. to leave on a trip to Hollywood and L. A. Their first stop was to C'inerama at 10 a. m. The girls all enjoyed the exciting feature which told of the seven wonders of the world. Then they went to Griffith Park where they ate a sack lunch; many girls visited the beautiful Griffith Planetarium. The lecture was interesting and the exhibits thrilling. They had dinner at Clifton's.

The cafeteria is built like a cave with waterfalls, palm trees, rock formations and they even have an organist. After dinner, they went to the Chapel which is located in the cafeteria. It is rooms built like an exact copy of a house, garden and jail in the days of Christ. Continuing from there they went to Angles's Flight. It is an experience the girls will all remember.

At the last meeting, which was Mason and Eastern Star Recognition, initiation was held. The following girls were initiated: Bonnie West, Carol Hoy, Doris Jacobs, Beth Gramoy, Pat Hodges, Sandra Shutz, Pat Stevens, Jane Allen, Billie Porter, Shirley Sunbury, Carol Wright, Marlene Blevens, Susan Kruse, Denise Golden, Karen Davis, Cheryl Miles, and Karen Johnson.

Karen Wrede's installation is not far off. She is now the Senior Princess of Bethel 229.

☆While 60 per cent of the world's refrigerators are owned by Americans it is also true that we are finding it increasingly hard to pay for something to fill them.

MATADORS EDGE HELIX BEHIND LIPSCOMB

By Bruce Chassey

The Mount Miguel Matadors downed the Helix Highlanders by a close score with the pregame words and hopes "May the best team win" still ringing loud and clear.

The "baby" staged a terrific offensive array while Helix ran Keith Hall and Bill Ernest at every opportunity.

Jerry Lipscomb racked up all of the Matadors twenty-one points. He scored in the second, third and fourth quarters on an eleven yard run, a forty-three yard gallop and a one yard plunge. Lipscomb tanked over all three extra points. Darrel Rathje Wayne Summers and Rocky Barsotti were responsible for many twenty and thirty yard jaunts two of which set up touchdowns.

Bill Ernest a fighting scotsman looked good in the first half but he was well contained all throughout the second half. He scored in the first and second quarters on runs of sixty-two and sixty yards. Ron Palermo scored the other six pointer in the fourth quarter on a twelve yard run. Keith Hall plunged for one out of three conversion tries. Frank Bardacke the Helix quarterback threw to Bart Roggensack for good gains all through the game, but when the heat was turned on in the final three minutes he almost wore out his throwing arm. Footballs were all over the air, but only one was grabbed before the game ended. The game finished with Helix on the fifty yard line.

RESOLUTION NO. 6988

A RESOLUTION ESTABLISHING TIME OF HEARING OF PETITION AND GIVING NOTICE OF THE PROPOSED ANNEXATION OF AN UNINHABITED AREA KNOWN AS LOT 108, La Mesa Colony TO THE CITY OF LA MESA, A MUNICIPAL CORPORATION.

WHEREAS, there has been filed with the City Council of the City of La Mesa, a Municipal Corporation, a written petition signed by the owners of more than one-fourth of the land by area, representing in excess of one-fourth the assessed valuation according to the last equalized rolls in the Assessor's office of San Diego County, of the contiguous uninhabited territory hereinafter and more particularly described, requesting that such territory be annexed to the City of La Mesa;

NOW, THEREFORE, pursuant to the Annexation of the Uninhabited Territory Act of 1939 of the State of California, Title 4, Division 2, Part 2, Chapter 1, Article 5 of the Government Code of the State of California (Sections 35300 through 35325), the City Council of the City of La Mesa, California, hereby resolves as follows:

1. That the contiguous uninhabited area, the subject of such proposed annexation proceedings, shall be designated at LOT 108, LA MESA COLONY

2. That the boundaries of the territory subject to such annexation proceedings and the true legal description thereof are as follows:

All of that unincorporated area in the County of San Diego, State of California, more particularly described at follows:

Beginning at the Northwest corner of Lot 108 of La Mesa Colony according to Map thereof No. 346, filed March 8, 1887, records of said County, said corner being also a point on the boundary of the City of La Mesa.

(1) Thence South 0°44' East along said City boundary and Westerly line of said Lot 108 and along the Southerly prolongation thereof to an intersection with the Southerly line of Alvarado Canyon Road as shown on Road Survey No. 649 on file in the County Surveyor's office of said County;

(2) Thence Northeasterly along the Southerly line of said Alvarado Canyon Road and City boundary to an intersection with the Southerly prolongation of the Easterly line of said Lot 108;

(3) Thence Northerly along said Southerly prolongation and Easterly line of said Lot 108 to an intersection with a line which is parallel with and distant Southeasterly 200 feet measured at right angles from the Southeasterly right-of-way line of Maryland Avenue as shown on Manescalchi Subdivision Map No. 2791;

(4) Thence Northeasterly along said parallel line to its intersection with the Northerly line of Lot 107 of said La Mesa Colony;

(5) Thence Westerly, leaving the boundary of the City of La Mesa, along the Northerly lines of said Lots 107 and 108 to an intersection with the Southeasterly line of Maryland Avenue, said Southeasterly line being also the boundary of the City of La Mesa;

(6) Thence Southerly and Westerly along said Southeasterly line of Maryland Avenue and the City boundary to the Point of Beginning.

3. That notice be, and it is hereby given of the proposed annexation of said territory to the City of La Mesa a Municipal Corporation;

4. Notice is hereby given that on December 10, 1957 at the hour of seven o'clock P.M., of said day, at the Council Chamber at the City Hall of the City of La Mesa at Number 4755 Spring Street in said City, a hearing will be held at which time and place the City Council will hear protests made by any person owning real property within said territory;

5. The City Clerk of the City of La Mesa is hereby ordered and directed:

(a) To cause a copy of this Resolution to be published at least twice, but not oftener than once a week, in the La Mesa Scout, newspaper of general circulation, published in the City of La Mesa, and also in the Lemon Grove Review a newspaper of general circulation published outside the City of La Mesa, but in the County of San Diego (said publications to be completed at least 20 days prior to the above hearing date).

(b) To cause written notice of the above proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on this date at the address shown on said assessment roll or as known to said City Clerk and to any person who has filed his name and address and the designation of the land in which he has any interest, either legal or equitable with said City Clerk.

(c) To cause written notice of the above proposed annexation to be mailed to the Board of Supervisors of San Diego County.

(d) To cause the notices referred to in paragraphs (b) and (c) above to be given not less than 20 days before the above hearing date.

PASSED AND ADOPTED at a regularly adjourned meeting of the City Council of the City of La Mesa, California, held on the 29th day of October, 1957 by the following vote, to-wit:

AYES: Councilmen Acevez, Logan, Harness, Nagel, Crosbie

LOCAL WRITERS PRESENT ORIGINAL ONE ACT PLAY FESTIVAL

Two Lemon Grove writers will compete in the Seventh Original One-Act Play Festival to be presented by the Little Theatre League of San Diego County in the Puppet Theatre, Balboa Park, on the evenings of the 21-22 and 23 with curtain time set for 8:15 sharp. They are Barbara Arbuckle, who has been quite active in the local little theatre circles for the past few years and James Davis, another local writer. Davis' play, which has a tragic undertone is entitled "Evening Sun" and deals with a family which is burdened by a spastic child, while Barbara Arbuckle's entry is a comedy with an amusing ending. She has assembled a cast consisting of Ginne Kuchenmeister, Betty Boni, Lorraine Burton, Herb Scott, Jim Duberg and Pat Bostwick. Mrs. Arbuckle is directing her own work.

The 58 FORD is here now...
there's nothing newer in the world
With all that's new for a world of difference

There's bold, new styling—new Interceptor V-8 Power—new Cruise-O-Matic Drive—new Ford-Aire Suspension! The 58 Ford is the only car ever to meet a world-wide test and win world-wide approval before its public premiere!

You could search the world over and never find a car to match this 58 Ford's new beauty . . . new power . . . new ride . . . all at the *low Ford price*. We know! We *tried* it!

In Paris . . . the most style-conscious fashion critics in the world had a deep, low bow for Ford's latest style creation. In the mighty Himalayas, Ford's new Interceptor V-8 engine with Precision Fuel Induction won the day!

Then there's nothing newer than the true air ride of Ford-Aire Suspension. It's like riding on a cloud! But, you don't have to go to foreign soil to drive this newest Ford. We'll gladly save you the trip. Come in today!

From London to Bangkok . . . the whole world loved it!
The 58 Ford stopped traffic in Trafalgar Square when it passed through on its round-the-world trip. And that was typical of the excitement this Ford caused in Paris . . . Rome . . . Athens . . . Istanbul . . . Calcutta . . . and Bangkok. For this Ford was proved around the world in the toughest "shakedown" cruise in history.

You'll ride in a new world of fashion with Ford's deep-sculptured styling. From new Power-Flow hood to Safety-Twin taillights, Ford's worlds-ahead styling is a standout! There's a new Slipstream roof . . . a new Sculptured rear deck that's out of this world.

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. Gives you up to 300 hp. Smoother power . . . more power . . . from less gas! The secret is Precision Fuel Induction, a new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for normal driving, lets you move smoothly—with a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. This is the way you've dreamed of driving—floating on air! Four air pillows literally soak up any sign of a bump. Car releveis every time someone gets in or luggage is loaded.

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering gear are virtually friction-free—give you the closest thing yet to power steering!

Your night driving is safer with Ford's Safety-Twin Headlights. You get safety you simply can't get with single lights . . . special light for high beam . . . special light for low. It's the biggest advance since the sealed-beam! It's high style, too.

Smooth as they come . . . smart as they go. The Fairlane 500 takes the 58 styling cake, going away (arriving, too)!

COME IN . . . SEE THE CAR THAT WAS PROVED AND APPROVED AROUND THE WORLD!

assessed valuation of the community would justify $33 million retail sales. He estimated that $26½ million was nearer the current figure. He said services paid for by taxes on the higher assessed valuation were equivalent to a retail sales income of nearer $16 millions.

Stevenson said the maximum legal limit for property taxes for a sixth class city is $1 per $100 assessed valuation. Under incorporation the rate would unquestionably be lower than that, he said. Comparative tax rate presently is 96c, he pointed out.

He said that annexation to San Diego would not be desirable since recaptured subventions and sales tax, along with property tax revenue would be passed into the city treasury to be distributed under geographic restrictions similar to those of a County. Civic authority would be more remote and all needs in the community would be weighed against those of other segments of a greater city.

COPIES LIMITED

Copies of the report were given only to members of the chamber board and to members of the Development Committee. A Steering Committee of seven persons, under the chairmanship of Dr. Robert Swenson met Tuesday to evaluate the study. They made a recommendation to the Development Committee on Wednesday Members of this committee are circulating a request to indorse the recommendations of these committees to their own organization. The Development Committee said, before the survey was made, that it would follow the recommendations contained in the report.

Indorsements from all groups and clubs making up the Development Committee are expected to be returned in time for the next Chamber of Commerce meeting to be held at noon at Michael's December 5.

The meeting was presided over by W. Earl Smart, who is president of the Chamber of Commerce.

MORTALITY AND IMMORALITY DISCUSSED IN SERMON

The words of the Golden Text from the dauntless Christian hero, Paul, set the tone for the Lesson-Sermon "Mortals and Immortals", which will be read in the Churches of Christ, Scientist, on Sunday. Paul declares, "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (II Cor. 5:17).

Paul's words from the same chapter of II Corinthians appear later in the sermon when he says, "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands, eternal in the heavens . . . Now he that hath wrought us for the selfsame thing is God, who also hath given unto us the earnest of the Spirit" (5:1, 5).

Education Week

(Continued)

Education Week. These are being heard and seen over local and Los Angeles stations.

High schools of the Grossmont Union High School District are observing American Education Week with "Mom and Pop Go Back to School" activities although two of the four are planning observations at times other than the week of November 11-15. Grossmont and El Cajon Valley High Schools have invited parents to attend classes of their children in shortened evening sessions on November 14. Helix High held similar activities on November 7. Mt. Miguel will have a regular P-TA meeting November 14 but will postpone open house activities until December 5 when the new school plant will be more nearly finished.

Grossmont's session falls on the regular P-TA night and begins at 7:30 in the auditorium with a brief business meeting and instructions. Then parents will go to classes to hear teachers explain purposes, courses of study, and methods used. Refreshments follow in the cafeteria.

El Cajon Moms and Pops meet at 7:30 p. m. in the cafeteria and after a brief meeting for instructions will follow class schedules of students. A special art show is planned, and the radio shop will demonstrate transmitting and receiving.

The Helix session followed the same pattern, beginning at 7:15 p. m., and setting up 20 minute classes, following by refreshments.

The Mt. Miguel P-TA is meeting November 14 to hear a program about the Associated Student Body. Regular open house activities after the pattern of those in the other schools are planned for early in December when parking facilities are more convenient and paving has solved the problem of mud.

At St. John of the Cross School, "Open House" will be observed November 14 from 7 to 8 p.m. Classroom visits will be encouraged for an hour from 10:50 a.m. the same day.

A meeting of the Parent's Guild will be held following the "Open House."

Senator Kraft Sets Water Meet

The Joint Interim Committee on Water Problems will meet December 16 and 17 in San Diego at the San Diego County Water Authority Building, according to State Senator Fred Kraft.

Among problems assigned to the group for study are all phases of flood control, river flow control and equation, domestic use, irrigation, reclamation, and power development of water; the best means of state cooperation with federal, local and other governmental agencies; and the feasibility of the transfer of the Central Valley Project to the state for ownership.

We Wonder Why

A sign posted beside the ticket window of the Monroe Theater, admonishes its patrons: "No ice cream, charlotte russe, or Jell-O allowed in this theater." — The New Yorker.
